ABOUT SDNBVC

The college was started in 1968 with the generous donation of 10 acres of land by our Late Founder Chairman Shri Nanalal Bhatt. The College stands in the name of our Late Founder Chairman's wife Shrimathi Devkunvar and it has efficiently rendered more than five decades of dedicated service to the cause of women's education in the then Kancheepuram district and the present district of Chengalpet. With 21 Undergraduate courses and 17 Postgraduate courses, the college aims to propel the cultural aesthetics with an equal weightage on rational and intellectual development.

ABOUT PG DEPARTMENT OF ENGLISH

The Post Graduate Department of English was initiated in the year 2013 and ever since its inception the department has been very keen in promoting literary and linguistic study among its scholars. With a wide range of papers offered addressing the voices of the subaltern, marginalised and postcolonial narratives, in addition to critical theory, the objective of the course lies in awakening the young scholars to the necessary adaptations of an evolutionary society.

ABOUT THE FDP

The Faculty Development Programme aims to promote discussion on teaching methodologies and learning techniques that would promote learner autonomy among Gen Z Learners. Learner autonomy is a learner centred learning strategy where the learner takes responsibility for their own learning and are able to self direct their learning both inside and outside the classroom.

Teachers could promote learner autonomy among their learners both inside the classroom and outside the classroom through innovative teaching methodologies. The ultimate goal of higher education is to promote life long continuous learning among learners and therefore this FDP attempts to provide a forum to reflect on the teaching methodologies that would promote learner autonomy among the Gen-Z Learners.
