About the College

Shrimathi Devkunvar Nanalal Vaishnav College for Women is affiliated to the University of Madras from 1968 and accredited by NAAC with A+ with CGPA 3.52 and listed in the National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development, Government of India (listed as one of the best colleges in India in the band ranking of 101-150 for the year 2020-2021). The autonomous status of our college has been earmarked in 2006 and the same is approved by the University of Madras and the University Grants Commission. Our college offers aided courses and self-finance courses with multidisciplinary approaches and is one of the testimonial colleges which has the reflective vision of contributing & imparting quality education for the women societal wellbeing. The research culture at our college is noteworthy as we have departments that are upgraded as research departments. The College management provides seed money to staff and students to conduct research in various fields. More than 40 funded research projects (of both UGC and management funds) have been conducted with societal output research findings.

The Research cell promotes the research culture by helping the staff, students and scholars to receive project funding from the college management.

The cell enables the staff, students and scholars by providing the opportunity to publish their findings in the form of research articles in our college e-journals International Journal of Multidisciplinary Research in Arts, Science and Commerce, and International Journal of Transdisciplinary Research and Development. To captivate the young creative minds and direct them towards research in their early teens itself, the college is running a research journal "SPARKLES" which provides a platform for the students to publish their work in the form of articles.

"Samzodhana Naipunyam" is a training program initiated by the Research cell of the college in the year 2019. The objective of this program is to conduct a series of workshops, seminars, invited talks related to research for staff, students and research scholars to enhance their research skills.

About the Program

The main objective of the programme is to equip the PG students and Research Scholars to write a well-structured and qualitative research article.

The topic of the programme includes:

- Understand the nuances of scientific writing and research
- Identify sources of literature and identify the research gap
- Develop a manuscript that can be refined for publication
- Identify indexed journals by staying away from predatory and cloned journals
- Learn the process of submitting a manuscript to an indexed journal

Overview

Day - 1

11:00 am to 01:00 pm

Dr. U. Senthilkumar

Topic: Introduction to Research, its Databases and Metrics

Day - 2

11:00 am to 01:00 pm

Dr. Nirmal Thyagu

Topic: - Read to Shine: Pathway to skyrocket your research through Literature Search

Day - 3

11:00 am to 01:00 pm

Dr. Tabitha Durai

Topic: - Essentials of Scientific Writing

Day - 4

11:00 am to 01:00 pm

Dr. R. Vijay Solomon

Topic: - Nuances of Journal Selection

Day - 5

10:30 am to 11:30 am

Dr. P. Hanumantha Rao

Topic: - Publishing & Journal Submission

Valedictory Chief Guest

Dr. P. Wilson

**Principal & Secretary,
Madras Christian College**

About the Research Cell

With the motto of "Re-Search and Research", the college has continued the Research Cell to encourage staff, students and scholars for innovative research, problem solving ideas, researching and finding solutions for societal and environmental problems, upgrading the technological research, re-search the basic sciences research areas, product development. The cell promotes the research development by motivating the staff members to receive project funding from external Government agencies like DST, DBT and DRDO.
