ABOUT THE COLLEGE

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women, founded in 1968, named after founder Chairman Shri Nanalal Bhatt's wife. It is considered as the first women's college in (then) Kancheepuram District, Tamil Nadu, with 10 acres of land donated by Shri Nanalal Bhatt and funds from Cork Industries Charities Trust. Our college gained Autonomous status in 2006, and re-accredited 'A+' by NAAC . The college is dedicated to continuous improvement, fostering a supportive environment, promoting women's education, providing outstanding facilities, delivering high- quality education, and offering valuable opportunities for the students' development. The College has witnessed a multi-directional impressive growth in diversified areas that provide opportunities to the women students to explore and deepen their academic interest and extension activities effectively.

ABOUT THE INTERDISCIPLINARY SEMINAR

Interdisciplinary seminars play a crucial role in bringing collaboration, innovation, and holistic learning by providing a platform for students, faculty, scholars, software professionals and experts for exchange of ideas, methodologies, and perspectives. Interdisciplinary seminar broadens the intellectual horizons and help connect ideas across different domains, thereby igniting new ideas and innovative approaches. The influence of AI in various fields has been a rapidly evolving area of research investigation. The advantages, disadvantages and impact of AI in teaching, learning, creative process is a subject of interest. Advanced features in AI are emerging themes of debates, discussions and deliberations. This seminar addresses the complexities of contemporary issues, facilitating critical thinking, introducing diverse perspectives and inspiring ideas for exploration.
